There's nothing I could say to you
Nothing I could ever do to make you see
What you mean to me
All the pain the tears I cried
Still you never said goodbye and now I know how far you'd go
I know I let you down but its not like that now
This time I'll never let you go

*I will be (I'll be 4è) all that you want and get myself together
Cause you keep me from falling apart
(And 4è) All my life (my life 3è)(you know 4è) I'll be with you forever
To get you through the day and make every thing ok*

I thought that I had everything I didn't know what life could bring
But now I see honestly
You're the one thing I got right
The only one I let inside
Now I can breath cause you're here with me
And if I let you down I'll turn it all around
Cause I would never let you go

Refrain

Cause without you I can't sleep
I'm not gonna ever ever let you leave
You're all I got
You're all I want
Yeah
And without you I don't know what I'll do
I could never ever live a day without you
Here with me do you see you're all I need
